Dear Reader

My name is Stig Jøran Andersen and I am currently studying Frontend Development at Noroff.

This portfolio showcase projects completed during my first year as a student. Through these projects I have gained experience with HTML, CSS JavaScript, responsive design, accessibility, Git, GitHub, and working with API's.

I Enjoy creating user-friendly web applications and continuously improving my skills as a frontend developer.

Thank you for taking the time to review my portfolio.

Kind regards,

Stig Jøran Andersen
